supporting *COMPASS for homeless families*
ending family homelessness in Massachusetts

Shake It for Shelter: Disco Inferno is an adult evening of disco, dancing, bidding, and a flashback to good times, all for a great cause – ending family homelessness. With live music, prominent live and silent auctions, food and drink that fit the theme, and just plain fun, Shake It for Shelter has become an annual go-to event for Greater Bostonians who launch summer by dancing under a tent – a temporary shelter. Since 2002, 2,000 individuals and businesses have participated in Shake It for Shelter, which is supported by sponsors, donors and ticket sales.

These are the good times...leave your cares behind... This year's theme is disco...Think disco balls, bellbottoms, platform boots, themed cocktails, extravagant auctions...think Studio 54...

COMPASS for homeless families is a program of COMPASS for kids that works to end family homelessness. We collaborate with public and private organizations, businesses and individuals to provide high impact educational services and supports that get homeless parents working, finishing their GEDs and enrolled in college. Our efforts all promote family self-sufficiency, stability in housing and a brighter future for homeless and at-risk children and their families. Family homelessness is a problem of epidemic proportion in Massachusetts, with more than 3,000 families, including 5,000 children, now living in shelters and motels.

Your participation will ensure the success of Shake It for Shelter. Shake It for Shelter relies on broad support from businesses, community groups, and individuals. Ways to get involved include fiscal and in kind sponsorships, auction donations, purchasing tickets (including group tickets) and attending, volunteering time, and more. We hope you will be a part of this community-wide effort to end the cycle of family homelessness.
